INFORMATION YOU SHOULD KNOW ABOUT THE CLOTHING BANK:

GUIDELINES:

1. Please plan to watch your children if you bring them. You are responsible for their safety.
2. Hangers are to remain at the Clothing Bank so we may serve others.
3. Five (5) outfits per child.
4. One (1) coat per child.

FREQUENTLY ASKED QUESTIONS:

What do I need to do to get clothes from the clothing bank?

We would love to know your opinion so we ask everyone to fill out a survey with about ten questions.

Do I qualify?

Yes. It is free to everyone.

Do I need to bring anything?

The only thing you need to bring is a bag to carry the items you choose. We also welcome smiles.

How can I help?

Before you come, look through your children's clothes and consider donating recently washed and gently used clothing that your children no longer need.

Do you have other household items?

No, we do not have furniture or any other household items.

Do you have clothing for adults?

No, we don't have clothing for adults. We do not accept donations of clothing for adults.

HOW TO DONATE CLOTHING:

The clothing bank is kept running by donations. We accept newly washed, gently-used clothing. We accept clothing sized for newborns, all the way up to teens. Again, we ask that you please do not donate adult clothing.

We accept donations during the hours we are open. We can provide a tax receipt.

IMPORTANT: This is very rare but if we are not open during our posted hours it is because an emergency has prevented the church member from arriving, and no replacement was found. If this happens, we are truly sorry and we ask that you please come back another day.
