## NEIGHBORHOOD LEGAL SERVICES

*Civil legal aid provided by  
Neighborhood Legal Services  
assures fairness in the civil justice  
system, regardless of how much  
money you have.*

## Who We Are

In 1966, Neighborhood Legal Services opened its doors with a commitment to equal access to justice for all people and a mission to meet the civil legal needs of the economically disadvantaged individuals in our community through effective legal representation and education. NLS provides civil legal aid to low-income individuals, victims of domestic violence and other vulnerable residents of Allegheny, Beaver, Butler and Lawrence counties.

All of the cases that NLS handles have reached a crisis stage that threatens the fundamental safety and security of low-income individuals living in our community. These issues involve the basic essentials of life such as family security, safety, shelter, food, work, warmth and health.

## What Type of Help Do We Offer?

Staffed by skilled lawyers, deeply committed to the practice of civil legal aid, NLS offers various levels of service on different civil legal issues. Some individuals may receive representation, others legal advice, and others referrals to available resources. While we wish we could provide full representation to every applicant on every legal issue, we simply do not have enough funding and staff resources to do so. In addition to programmatic limitations, financial eligibility criteria apply. We also provide community education on legal topics and free interpretation services to those with limited English abilities and the hearing-impaired. *Referrals to private attorneys, both free and reduced-fee are provided when available and appropriate.*

## Can We Help You?

NLS offers legal help to those who live in Allegheny, Beaver, Butler, and Lawrence counties. We do not help with criminal cases. U.S. Citizenship is required unless you are trying to get protection under the Protection from Abuse Act, are a victim of trafficking, or sexual assault. We can also help some documented immigrants (see our website for more information). Our ability to help depends upon income and the income limits are set differently depending upon the funding we receive.

### HELP FROM PRIVATE ATTORNEYS
